The Mackenzies

Developing a multicultural church in Buenos Aires

Greetings in the name of our Lord Jesus! It is our joy and pleasure to be able of counting on you as partners in our ministry. As we praise God for everything that is on our plate right now, we also ask your continued prayers so that God continue to bless our ministry in its multifaceted aspects.

Having said so, let us share some updates on the various places where we've been serving the Lord, and some challenges that lie ahead.

Mision Beta

After intense activity with church planters during the first semester, we are now dedicating the second semester for more of an internal revision of goals and strategies, while still walking alongside one church planter and one pastor who is revitalizing a church. In January we will participate of a gathering organized by Redeemer City to

Ctiy in Buenos Aires bringing church planting movements from other cities in Latin America to coach coaches and train trainers! All of our board will participate in this gathering and will hopefully receive some tools to better train and coach church planters and leaders in our context. Please pray for all the details of time management and wisdom to get ready for this gathering.

Multicultural church news

As of our church ministry, we are glad to share that the congregation is going

through a great time of growth in many aspects. We just came back from a kids' camp with almost 30 kids, most of which come from non-believing families. But also, many of the young leaders that served in the camp are new believers who have just begun to grow in their faith and gladly join in service to our awesome God!

Also, we enjoyed a new multicultural wedding: A Taiwanese girl with one of our deacons, who is from Ecuador.

We love seeing these couples who put into practice what we proclaim: that God created us all equal, loves us all equal y desires us to treat each other as equals, enjoying the colorful cultural diversity that He promoted.

Other responsibilities

- **Presbytery:** In view of many diverse ministerial commitments, I have announced that this will be my last term as Stated Clerk of our Presbytery, so that we can start looking for my successor. It's been a good experience, but I need to focus more on other things right now.
- **Academia:** Although this year I declined some invitations to teach at seminary due to time constraints, I am still pretty much involved in different aspects of the promotion of theological education. I continue to serve at Proyecto Nehemías, translating some good theological and Reformed resources into Spanish. Also, starting on January 2018, I accepted an invitation to be part of the editorial team of Global Missiology, a quarterly publication of contributions from international researchers, practitioners and scholars who have a global perspective.

Family Update

Debbie and the kids are doing very well, close to finishing the school year next December and hoping to enjoy some Summer time!

Thank you all for your prayers, love and care!
