### **Misión BETA**

**A Movement for Church  
Multiplication and City  
Transformation**

**Greetings in the name of our risen Lord Jesus!**

**It is so good to have you all as partners in our ministry. As we praise God for all that He is**

**doing among us, we appreciate your prayers for our family and ministry.**

Having said so, let us share some updates on the various places where we've been serving the Lord, and some challenges that lie ahead.

### **Mision Beta**

Church planting requires church planters! So this year, Misión Beta started a two year program in partnership with City to City to train church planters and develop a safe environment where we can work together, coach one another and bless each other. We started in March with 15 pastors and church planters in different stages. As we

walk through the program, we very much appreciate your prayers for these pastors and church planters. I would like to introduce you to one of them on each newsletter.

So, today, let me introduce you to Pastor Ezequiel Ramil:

Ezequiel is a young and vibrant pastor who has been called to revitalize a Presbyterian church in a southern suburb of Buenos Aires city. Please pray for him and his wife Candela, as they strive to serve the Lord with a very weak leadership team and some financial shortage. If any of you also want to support or send a one time gift for Ezequiel, that would be very welcome.

### **Nuevo Avivamiento church**

At church we continue to serve the Lord developing a multicultural congregation called Nuevo Avivamiento. This year we started a ministry formation class for the leadership, with 25 leaders actively involved in preparing themselves to better serve the Lord. Please pray for them, since a growing church needs growing leaders!

Also please pray for our Sunday school program. The Sunday school director is facing some health problems with her husband. But the Lord provided new volunteers. So pray that God will help us bless our children in their spiritual growth.

Also, we are sending one of our Sunday school teachers as a missionary to China for 6 months (Please remember to pray for Helena while she spreads the Gospel in China; I can't share any other details here for sensitive reasons. If you want more info about Helena, please email me).

### **Family Update**

Debbie and the kids are doing very well. We are enjoying very much this stage in our life with the grown up kids!

**Thank you all for your prayers, love and care!**
