

UPDATE FROM THE MUUTUKIS Nairobi, Kenya

Joe and Elfi Muutuki Prayer Update

Dear friends,

I would like to introduce you to our friend Ravi. He has been a friend for over 10 years. Ravi has no problems asking for prayers. He is from a Sikh background. All these years he has come to Church and often participates in some of our functions. Ravi has heard the Gospel of Jesus Christ more times than we can say. When we ask him why he has not given his life to Christ? He says it has been a journey for him and each day gets him closer to a decision about that question. Last time I (Joe) asked him that question he told me he does not know what is holding him, honestly. But he has not made a decision yet.

Today, 30th November the Sikhs, who number more than 28 million and 5th largest religion in the world are celebrating Guru Nanak's birth anniversary. He is the founder of Sikhism dating back in 1499! Our friend Ravi belongs to this religion. As the year comes to an end would you join us in praying for our friend that God helps him to make a decision for Christ.

Jesus reminds us in the parable of the lost sheep that there is always rejoicing in heaven over one sinner who repents and comes to Jesus. Pray with us that our Ravi will find the true answer to his questions in Jesus. Pray too that more people and churches and followers of Jesus in Asia, Africa, Canada, USA, UK, Europe and other parts of the world will reach out to the Sikhs in Diaspora and love them in practical ways.

Pray that God will increase our patience as we walk with friends like Ravi for years and to continue loving them in practical ways and for them to see the love of Jesus in us.

I'm including an image of Sikhs that represents our friend and how Sikhs dress like. *Hope you understand the sensitivity of this prayer request and that we will not post an actual picture.*

May God bless you as we celebrate the coming of our King Jesus.
