

*Missionary Update*

*June 2016*

Dear supporters and well-wishers,

It is my pleasure to put together this update of Reformed Bible Institute ministry. The ministry includes teaching and training lay leaders, Deacons, Elders, Evangelist and Missionaries. It also provides Sunday school materials both for Children and adult. It also facilitates village school teachers and Sunday school teachers by organizing seminars for them. RBI ministry has a big vision of starting a full-fledged Theological Seminary in the near future for which preparation is in full swing.

**Family Matters**

Our family returns to Manipur on April 2015 after completion of my three years M.Th (NT) program at SAIACS in Bangalore, and my wife too finishes her library course from SAIACS in March. Now, I am back to my office looking after Reformed Bible Institute ministry. Children were also put into new school called St. Paul Institute, they slowly began to like their new school.

It includes construction of approach road, and levelling the ground for campus and playground. Official ground breaking will happen sometime in August 2015, after which building construction will follow depending on the availability of funds.
