Dear All,

This mail comes to thank you for all your unceasing prayer. Thank you for the privilege of serving the Lord together with you all these years. We have accomplished much this year with your prayers and financial support.

We took a giant step of starting the RBI building construction with the hope to be ready to start regular training using our new facility by 2018.

In regards to ministry, RBI is planning to organized winter Pastors Retreat for two days (Dec. 11-12) at RBI campus, and that will be followed by Women's Joint Conference of the PCI (R) with General Assembly from Dec. 13-17. My wife and I will be preaching and doing Bible study during the conference. Delegates from four presbyteries within PCI (R) denomination will be coming together for the conference. Please pray for these programs.

My family is doing well, **Khawl** my eldest daughter is now in VIII standard, **Lian** my son is now in IV standard, my daughter **Deborah** in II standard and my youngest daughter **Muani** is in UKG. They all are doing well in their school.

As we anticipate a new year with goals and objectives to achieve the furtherance of God's Kingdom, I would like to request you to prayerfully consider our one time and regular support needs.

In regards to my financial position, I was informed by the PMI treasurer that I was short of \$851.36 for my bi-monthly support. This is going to be challenging for me and my family with the Christmas season coming. Please kindly pray for this need.

In His Grace,

Pau and Kim
