A Quick Update & Prayer Requests

Dearest family, friends churches and prayer partners,

This is a quick update about our ministry:

- 1) We started about 10 Bible Study groups, and they are going very well. Praise the Lord for that! Please pray for these groups, that the people would grow in their faith as they study the Bible together week by week.
- 2) Our youth group is meeting twice a month. Finally we have young leaders who are doing a great job organizing these meetings and leading small group discussions as well. Please pray for the youth group leaders and for the teenagers that the Lord would continue His work among them. We truly love these young people the Lord entrusted to us.
- 3) Please pray for Rob as he preaches and pours his energy in many ways into the church-plant, that the Lord would give him strength daily.
- 4) We enjoy our girls so much. We know

it is a special time that we still have them at home. In December Hajni will turn 18 and Csenge 16. Having them in our youth group is a delight as we see them grow in their wisdom and daily walk with the Lord. Please pray for their continual spiritual growth, and also for protection from the evil one, as they are surrounded with the world.

5) I am studying hard, and next week are my final exams. I have learned a lot and I feel very blessed and privileged to be able to participate in this program. Thank you for praying for me and even supporting my studies financially as well. Please pray for me that I would manage my time in preparation and for the exams to go well.

Thank you for all of your prayers, support and love! May the Lord give you His peace in this beautiful but busy season of the year!

In His Love,
Tünde
