

Missionary Update
Khen & Rith Tombing
April 2016

Dear Partners in Ministry,

I wanted to send out this good news that we were all safe from last evening earthquake. It caused some addition cracks on walls in some of our school and church buildings from the previous tremor a hundred days ago.

Psalm 46: 1 - 3

1. GOD is our refuge and strength, a very present help in trouble.
2. Therefore we will not fear though the earth gives way,
Though the mountains be moved into the heart of the sea,
3. Though its waters roar and foam,
Though the mountains tremble at its swelling. Selah

Please join us in PRAISING GOD for keeping us safe earth possible disastrous effects of recent earthquakes in Manipur.
