

July 2022 Update

Dear Partner in the ministry

Greeting from ReST!!

Hope that all is well, thank you all for your generous support and prayers. My family is doing well, my eldest daughter Khawl moved to Bangalore for her Bachelor degree. Here is an update of ReST ministry.

1. Campus Occupied: We have been wanting to occupy the campus for a long time, however it took us at least 5 years to do that. Thank you all for gracious donations and prayers for these years that enable us to finally occupy the campus from June 29, 2022.

2. New Worker and New Building: With the students coming in and occupying the campus and dormitory we hire a new Warden and he and his family join us in June 29. Warden's Residence was constructed at the cost of approximately Rupees 750,000 (\$10,000) from the fund raised locally and was inaugurated on June 28, 2022.

3. Accreditation under Process: As we are expecting our B.Th graduates next year, and we are looking for an accreditation body who can recognized our program so that our graduates receives good certificate. Last week we have an official discussion and interview with Martin Luther Christian University, Shillong. We believe the meeting was promising.

Please continue to pray for Women's Dormitory.

We are progressing steadily, praise God for his guidance and provisions.

Coram Deo
