Prayer for our girls

Our girls, **Hajni** and **Csenge** just left this morning to do a concert tour in Paris with **Randy Mayfield** from Central Church in St. Louis. He invited them to go and sing with him and the band for the next two weeks. What a privilege, and a once in a lifetime experience. Please pray for safety and a blessed time there. Rob and I will join them next week.

Pray for our friends

Continue to pray for **Ági** and **Józsi**, who are expecting their first baby (or babies?). Please pray for a safe pregnancy, and a healthy baby/babies. (They lost their previous baby in the 38th week of her pregnancy.) She is only in her first trimester. But emotionally it is not an easy road.

Answered Prayer

Rob also had a great teaching time in Germany right before the church camp. He taught apologetics, and counseling in the Leibenzell Bible school there. Thank you for praying for that as well.

Church Camp News

Dear Friends,

Thank you for praying for our church camp, which ended this past Sunday. We really felt the Lord's blessing upon it. We had a very good time with a very good group of people who came to spend 4 days with us at *Lake Balaton* for our very first church camp.

We had several kids as well, so Csenge and Hajni were teaching the creation story for the kids. They did a great job. This was their first time as well, to take on leading a group of kids without the help of an adult. They really did an amazing job. They had other teenagers helping them.

Many friendships were formed, as they were put together in dorm rooms with 4 or 6 beds. The conference center was a good last minute choice for us; it turned out really good, the lake was only 3 minutes away, even though the food was just O.K.

Rob was teaching in the mornings about the values of our church, and explained what kind of a church we would like to become. (missional). It was a preparation for the membership class in the fall. We had small group discussions, where we introduced ourselves in groups of 10 people.

**Pray for the church,
especially the youth!**

Please also continue to pray for the church, that it would grow and develop according to the Lord's plan. We are amazed, how much blessing He sends upon us. We are humbled, and grateful for that. We need wisdom, and more people, who serve. Especially in the music team, and also for the youth. My heart beats for the youth.

- Please continue to pray for the youth camp, which will be at the end of August.
- Pray for faith for these young people who are coming, especially a couple of them are not even seekers.
- Pray for a renewal among the youth. That is our daily prayer as well, that the Lord would raise up a new generation, whose heart beats for Jesus.

The Lord has provided all week in so many ways, not just spiritually but also physically. One of our elderly women baked cookies, so each night we had several choices of cookies. What a sweet surprise.

We feel this weekend brought a closeness to our church, we are on the road to become a "family". Thank you for praying for us.

May the Lord bless you with peace in Him and a good rest in the summer.

*In His steadfast Love,
Tünde*

PS: I might add to this letter, even though Rob is planning to write to you, that we are thankful for all of your financial support as well. Right now our finances are lower than it should be, and we are praying to the Lord to provide even in these harder times. Thank you for standing with us in the battle, attacking the gates of hell, fighting in the winning army of our strong King together.
